

Vista Fold[™]

**THERMALLY BROKEN:
IMPACT & NON-IMPACT RATED**
Folding Door System

#27023

Comfortable & Captivating

Looking to add the perfect blend of beauty and performance to your space? Vista Fold™ thermally broken impact and non-impact folding door systems are the clear choice. Now you can have unobstructed views and seamless transitions to the outside with increased energy efficiency. Engineered with precision, these doors feature a thermal barrier that effectively reduces heat and cold transfer, maintaining comfortable indoor temperatures while minimizing energy consumption. Our innovative folding components optimize your space, bringing the outdoors in. With sleek aluminum frames that provide strength and durability, these doors are a testament to modern design and sustainable living.

At Euro-Wall, everything we do is Superior by Design. We constantly push ourselves to provide the highest quality doors with the largest views to give you the freedom to design without limitations.

Features & Benefits
