

VistaDS™

IMPACT & NON-IMPACT RATED
Fixed Window System

#FL46965

Features & Benefits

Largest Panel Sizes

Enjoy the view through some of the industry's largest panels (up to 14' tall and up to 9' wide available).

Design Flexibility

Make it yours with custom colors, interior wood clad, custom muntin, simulated divided lites, mid-rails and other aesthetic offerings.

Connected Panels

Connect multiple panels together for an impressive wall of glass with just a narrow 1 3/4" meeting rail for unobstructed views.

Long Lasting Finish

Lakefront, oceanfront and everywhere in between, enjoy your window for years to come with the high-quality finish options.

Configurations

Choose from single units or multiple units, as well as different glass options to fit your unique needs.

A New Point of View

Introducing the all-new Vista DS™ fixed window system, engineered to beautifully complement our innovative door systems.

Designed from the ground up based on feedback from our popular Storefront™ product, Vista DS™ offers some of the thinnest profiles for either fixed or operable fenestration products (just 1 ¼") – providing a sleek, modern appearance. It also boasts expansive height and width dimensions, maximizing the glass-to-frame ratio that enhances natural light and delivers unobstructed views.

It's the perfect choice for any project, combining personal support with cutting-edge design.

Test Performance

Air Infiltration: ASTM E283-19

Water Infiltration: ASTM E331-00(23)

Wind Load: TAS 202-94

Large Missile Impact: TAS 201-94

Cyclic Load: TAS 203-94

#FL46965
